

In the claims:

Please rewrite claim 12 as follows:

12. (Amended). A remote controlled toy according to claim 1, characterized in further comprising:

A
a receiver for reception of instructions for programming the toy as well as means for execution of received instructions, wherein the toy has a transmitter for transmission of instructions to a second toy.

Remarks

The present amendment is submitted upon filing the present application to conform the claims to U.S. practice and to determine the filing fee. Marked up versions of the amended claims are included in an Appendix attached hereto. An early action on the merits is now respectfully requested.

Respectfully submitted,

Gerald Levy
Reg. No. 24,419
